Affected person – the person in monitored area

Purpose and legal basis of the processing of personal data

The security camera system with recording is used for the purpose of protecting the health and safety of persons, protecting the property of the Controller or property under the Controller's management, preventing and detecting criminal and other unlawful activities. CCTV recordings may be used for the purpose of evidence in criminal proceedings, proceedings for offences or in the recovery of claims for damages. The legal basis for the processing of personal data is the legitimate interest of the Data Controller within the meaning of Article 6(1)(f) of the GDPR. The legitimate interest of the Data Controller is the protection of the health and property of the Data Controller, the prevention and detection of criminal and other unlawful activities.

Categories and source of personal data

Image recordings and manifestations of a personal nature of persons present in the monitored premises. Personal data is collected by means of monitoring cameras.

Monitored areas

The Operator's exterior and interior premises are monitored by a security camera system. Each monitored area is duly marked with a pictogram and basic information in accordance with the GDPR and related regulations.

Category of recipients

The personal data of the data subjects are processed by the authorised employees and contractual partner in the field of security services, IBS - SECURITY, s.r.o., Banská 6301, 915 01 Nové Mesto nad Váhom, ID No.: 45404828. In justified cases, the data may be disclosed to law enforcement authorities, competent courts or other state administration authorities.

Transfer of personal data to third countries and analytics

Personal data is not transferred to third countries and personal data is not subject to automated individual decision-making or profiling.

Retention period of personal data

The controller shall retain the processing of personal data for a period of 7 days, unless the recording is used for the purposes of criminal or similar proceedings.

Rights of the data subject

THE RIGHT TO OBJECT TO THE PROCESSING OF PERSONAL DATA

You may object at any time to the processing of your personal data based on our legitimate interests. We must properly assess the objection. Unless we can demonstrate that we have compelling legitimate grounds for the processing and that these override your interests, rights and freedoms, we will no longer process your personal data.

You can send your objection to the Company's address or by email to data-privacy@roechling.com or roechling@team-datenschutz.com

- the right of access to personal data relating to the data subject;
- the right to rectification of personal data;
- the right to erasure of personal data;
- the right to restrict the processing of personal data;
- the right to the portability of personal data;
- the right to lodge a complaint with the supervisory authority, i.e. the Office for Personal Data Protection of the Slovak Republic, Hraničná 12, 820 07 Bratislava 27, Slovak Republic.

The data subject may exercise the aforementioned rights by contacting the Data Controller electronically at the contact e-mail address of the Data Controller/Responsible Person or by post at the address of the company's registered office.

Detailed information on the processing of personal data is provided on the website www.roechling.com.
