CONNECT E-CAP[®]

The intelligent
packaging solution.

Röchling Medical – Passion for Health
www.roechling-medical.com

A pill box that pays attention.

records

fill level, opening time etc. and communicates via smartphone, tablet, app.

reminds

patients of the next required dose via optic and acoustic signals.

recognizes

“its” container via pairing function (tamper evidence and anti-counterfeiting).

reads out

information regarding dosage, correct storage etc. (via voice output or smartphone).

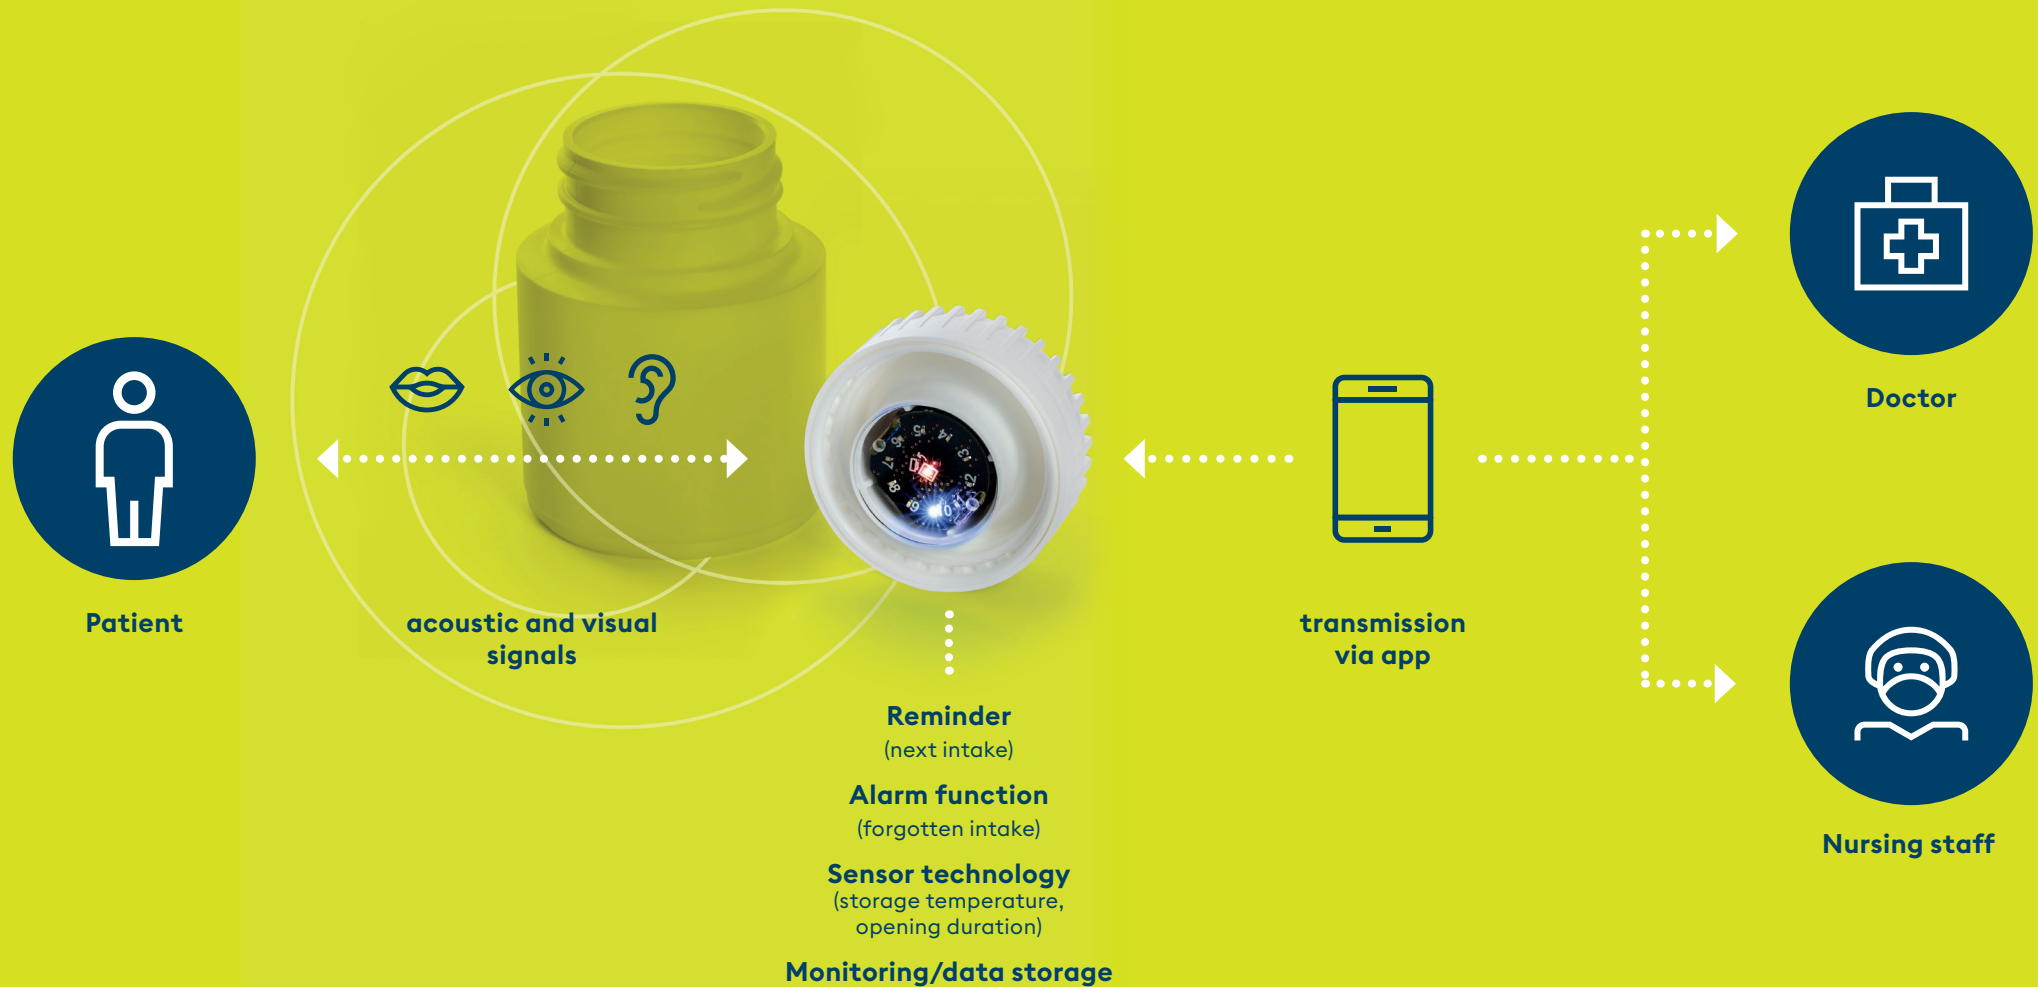

redefines

communication between doctors and patients and maximizes positive therapy outcome.

Connect-e-Cap[®]

The intelligent packaging solution.
