

**Ludger Bartels**

**COO Röchling Group**

**CEO High-Performance Plastics Division**

Ludger Bartels, born on May 30, 1953 in Sögel im Emsland, Germany, graduated as an engineer with a degree in materials engineering from the University of Applied Sciences in Osnabrück. In 1977, he joined the current Röchling Engineering Plastics KG, where he held various positions, beginning in extrusion. In 1979, Bartels became production manager for extrusion and materials preparation. In 1988, he assumed responsibility for development and quality assurance as well as extrusion, and in 1991, he took over the technical management of the Thermoplastics Division. In 1994, he became a plastics engineer in the Composites Division. In 1996, he served first as deputy managing director and a year later as managing director of Röchling Engineering Plastics Group. In 1999, Bartels was named CEO of Röchling Engineering Plastics Group. In addition, since 2003 Bartels has been CEO of Sustaplast KG. In 2007, he was appointed to the Management Board of the Röchling Group. He is the personally liable partner of Gebr. Röchling KG and a member of the Röchling Management Board.
