

Technical Data Sheet

Polystone[®] P (Homopolymer) FDA grey extruded

PP-H

Typical characteristics

- High rigidity
- Good weldability
- Corrosion resistant

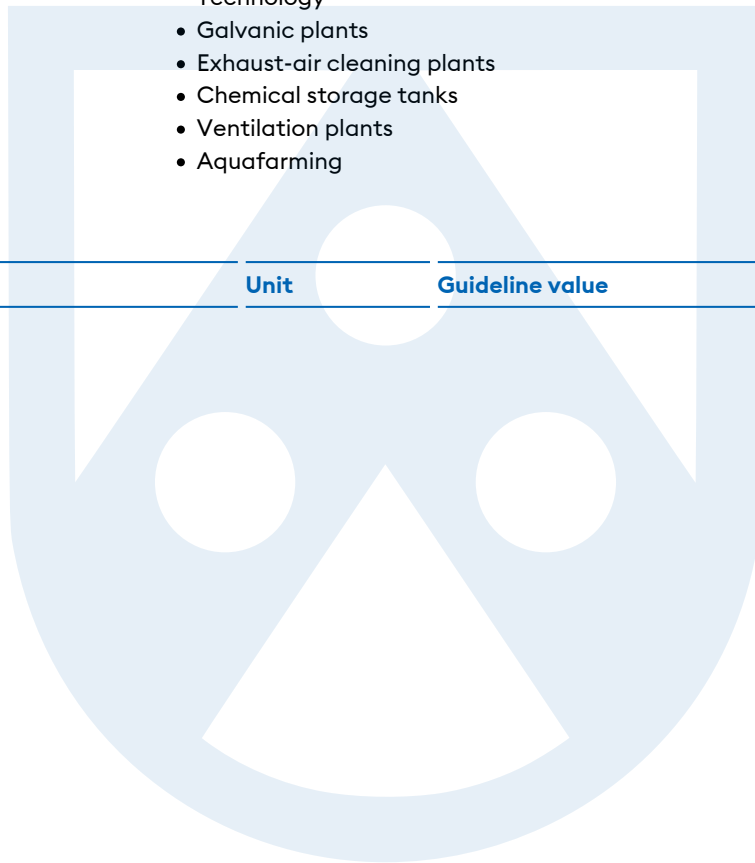

Typical industries

- Chemical Processing Industry
- Clean-Room Technology
- Drinking & Waste Water Technology
- Galvanic plants
- Exhaust-air cleaning plants
- Chemical storage tanks
- Ventilation plants
- Aquafarming

Sustainability

- LCA available (ISO 14040/44)

Test method	Unit	Guideline value
