

## **Product Handling Information Sheet**

## Durostone® AGZ-S (160)

1. Company		
Name/Address		Röchling Industrial SE & Co. KG  Röchlingstr. 1 • 49733 Haren (Ems)/Germany (DE) • Tel. +49 5934 701-0 info@roechling-plastics.com • www.roechling.com/industrial/haren
2. Product details		
Product/Article		Technical semi-finished product or machined part
Abbreviated terms		GFK-AG
Material Characterisation		Glass-fiber reinforced Methacrylat resin in hardened condition
Main Components		<ul> <li>glass-fiber</li> <li>methacrylat resin</li> <li>stabiliser</li> <li>fillers</li> <li>additives</li> </ul>
Components Subject to label	ling	none
Classification according to R	EACh	Article
Notes		-
3. Product characteristics		
Form/State		• firm
Color		-
Odour		typical material smell
Density		-
Melting range		- -

Glass transition temperature

3. Product characteristics	
Thermal decomposition	<u>-</u>
Flash point	None, with intended use
Ignition temperature	<u>-</u>
Notes	<del></del>
4 Day	
4. Danger warnings	
Special Risks For Mankind And Environment	The none
Notes	According to IARC glass fibre filaments cannot be classified as carcinogenic with humans (IARC group 3). The diameter of the glass fibre filaments which are used in this laminated material is outside of the lung-usual range from 3 µm so that the danger of chronic lung damage is minimal. The diameter or the used glass fibre filaments amounts to 5 – 16 µm (typical 12 µm). Their diameter is not reduced by treatment of these fibres, i. e. it's potential lung freedom of movement does not increase.
5. Handling and Storage	
Handling	<ul> <li>Product can be worked with conventional machines and tools.</li> <li>For the machining special tools should be used such as tungsten carbides drill PKD or diamond-equipped tools.</li> </ul>
Storage	<ul> <li>horizontally</li> <li>dry</li> <li>protected against frost</li> <li>protected against climatic influences</li> </ul>
Safety measures	<ul> <li>Provide effective dust extraction when processing and machining.</li> <li>Carry protective mask and protective goggles at dusty condition.</li> </ul>
Shelf Life	-
Notes	-
6. Transport	

• Secure against slipping.

• Non dangerous goods according to the transport regulations.

10. Information about REACh

Information about REACh

According to EC directive 1907/2006/EC (REACh), Article 3, no.3 our products are clearly defined as articles, exempt from registration. The EU regulation about chemicals no. 1907/2006 (REACh), which came into force 01 st of June 2007, prescribes Material Safety Data Sheets only for dangerous substances and preparations. According to REACh we are manufacturing articles and, therefore, not required to issue safety sheets.

## 11. Other Information

Other Information

The information in this document are based on our today's knowledge and represent no affirmation of characteristics. Existing laws and regulations are to be observed by the user of our product within his own responsibility.
