### **Product Handling Information Sheet**

#### Sustamid<sup>®</sup> 6 FR black extruded

| 1. Company                     |      |   |  |  |
|--------------------------------|------|---|--|--|
| Name/Address                   |      | <b>Röchling Industrial Lahnstein SE &amp; Co. KG</b><br>Sustaplast-Str. 1 • 56112 Lahnstein/Germany (DE) • Tel. +49 2621 693-0<br>info.lahnstein@roechling.com • www.roechling.com/industrial/lahnstein |  |  |
|                                |      |   |  |  |
| 2. Product details             |      |   |  |  |
| Product/Article                |      | Engineering semi-finished product   |  |  |
| Abbreviated terms              |      | PA 6  |  |  |
| Material Characterisation      |      | Thermoplastic   |  |  |
| Main Components                |      | <ul><li> polyamide 6</li><li> contains flame retardant</li></ul>  |  |  |
| Components Subject to label    | ling | none  |  |  |
| Classification according to RI | EACh | Article   |  |  |
| Notes                          |      | -   |  |  |

| 3. Product characteristics   |             |
|------------------------------|-------------|
| Form/State                   | • solid     |
| Color                        | black       |
| Odour                        | • odourless |
| Density                      | 1,17        |
| Melting range                | 222         |
| Glass transition temperature | -           |
| Thermal decomposition        | >300 °C     |
| Flash point                  |             |
| Flash point                  |             |

#### Industrial

| 3. Product characteristics |         |  |
|----------------------------|---------|--|
| Ignition temperature       | >400 °C |  |
| Notes                      | -       |  |

| 4. Danger warnings                               |   |  |  |
|--|---|--|--|
| Special Risks For Mankind And The<br>Environment | none  |  |  |
| Notes  | -   |  |  |
| 5. Handling and Storage                          |   |  |  |
| Handling   | <ul> <li>Product can be worked with conventional machines and tools.</li> <li>Before machining the product should have room temperature and/or to be stored for min. 24h under normal climatic conditions.</li> </ul> |  |  |
| Storage  | <ul> <li>horizontally</li> <li>dry</li> <li>protected against climatic influences</li> </ul>  |  |  |
| Safety measures                                  |   |  |  |
| Shelf Life                                       | -   |  |  |
| Notes  | -   |  |  |

| <ul> <li>Not cl</li> </ul> | assified as hazardous | s good under transpo | ort regulations |
|----------------------------|-----------------------|----------------------|-----------------|
| -                          |                       |                      |                 |
| -                          |                       |                      |                 |
|                            |                       | -                    |                 |

| 7. Fire – fighting measures   |   |
|-------------------------------|---|
| Suitable extinguishing agents | • water                                     |
|                               | • foam                                      |
|                               | <ul> <li>dry extinguishing media</li> </ul> |
|                               | • CO <sub>2</sub>                           |

# Röchling

| 7. Fire – fighting measures    |  |
|--------------------------------|--|
| Potential combustion products  | <ul> <li>carbon monoxide</li> <li>nitrogen oxide</li> <li>traces of hydrogen cyanide</li> </ul>  |
| Necessary protection equipment | <ul> <li>Fire fighters and others exposed to combustion products should wear full protective clothing and self-contained breathing apparatus.</li> </ul> |
| Notes                          | Molten product should be cooled by water spray. Dispose fire debris and contaminated extinguishing water in accordance with local regulations.           |

| 8. Removal                               |   |  |
|--|---|--|
| Recyclability                            | Check possibility of recycling.   |  |
| EC Waste Catalog                         | According the European waste catalogue (EAK) the product is not classified as hazardous.    |  |
| Waste Removal                            | Waste disposal by landfill or incineration in compliance with state and local regulations.  |  |
| EC Waste Code                            | <ul> <li>12 01 05 plastics shavings and turnings</li> <li>07 02 13 waste plastic</li> </ul> |  |
| Notes                                    | -   |  |
|  |   |  |
| 9. Marking and Guidelines                |   |  |
| Marking in accordance with EEC Guideline | not subject to labelling  |  |

| 10. Information about REACh |                              |  |
|-----------------------------|------------------------------|--|
| Information about REACh     | Information about REACh Text |  |
|                             |                              |  |
