

Dr. Joachim Brunswicker

CFO
Industrial Division/Medical Division

Dr. Joachim Brunswicker received a graduate degree in business administration from the University of Münster. From 1982 to 1986, he was a research assistant at the econometrics and economic statistics institute at the University of Münster, where he earned a doctorate Dr. rer. pol. in 1986.

Brunswicker began his professional career at the Wicküler-Küppers Brewery Group in Wuppertal and Cologne. In 1990, he became Commercial Director of the brewery group and five years later, he moved as Financial Director to the Bremen-based Woll-Kämmerei AG. Brunswicker joined Röchling Engineering Plastics, Haren in 1999 as Commercial Director and is responsible for the Industrial division.

Since January 2016, Brunswicker is CFO of the divisions Industrial and Medical.
