

## **Mario Frericks**

**Director Business Unit Thermoplastics  
Industrial Division**

Mario Frericks studied chemical engineering at the Münster University of Applied Sciences and graduated with a degree in engineering.

In 1996, he joined Röchling Haren KG, where he started off working in Quality Assurance before moving to Technical Marketing in 1999. Three years later, Frericks was appointed Head of Technical Marketing. From 2008 to 2009, he attended a part-time management training program at Mannheim Business School and graduated with an MBA.

In 2011, Frericks took on the position of General Manager Marketing & Development for Röchling Engineering Plastics KG and Röchling Sustaplast KG. One year later, he became General Manager Sales & Marketing for these companies.

Since February 2017, Frericks has served as Head of Sales & Marketing for the Thermoplastics business unit in the Industrial division. In May 2017, he was also appointed to the Röchling Management Board.
